Every minute, every hour, every day, we moved as chess pieces . . . cautiously, carefully, without a fear . . . across the patterned board. Through the many plays . . . the greeting of the young and bewildered pawns . . . the energetic actions of prowling Panthers, during wind and rain, tests and finals, grade cards, challenging classes, soul-stirring assemblies, and thrilling athletic events . . . and the final farewell of the once reigning monarchs . . . confidently, proudly, we carried the symbolic "O". The year was a welcome challenge . . . teaching and learning . . . working and playing . . . exploring the countless moves, of this, THE GAME OF LIFE

The school has many faces. Those of the day are seen by the students. Those of the night, when the students have long departed, and those before the students fill the halls, are seldom seen. But the school is more than just faces. The school is an idea, a building, and most of all, people. People make it strong and the strength of the school in our Game of Life is portrayed by the Castle. The Castle moves forward, so does . . .

THE SCHOOL

Serious, Spirited and Superb

The OHS Library is utilized by hundreds of students. Each time they walk through the portals of this great institution, they set their minds in motion.

Hail to Orange High! As the last words of our Alma Mater are sung, the students express with smiles and tears the never ceasing devotion to OHS.

Panthers Play "The Game of Life"

Cheerleader Lorraine Moore expresses her never-ending spirit as she leads the crowd in a victory chant.

Clash Day was a clear example of what snappy dressers Panthers can be. Kay McInnis, Bob Bateson, Sylvia Onalfo, and Sue Voss are a few outstanding examples.

With strong convictions and determination, ASB President Joe Colon molded the Student Government into its best possible form.

Spirit Week allowed senior boys to resort back to their childhood days by riding three-wheelers in the Tricycle Race.

Never before or never again will the hallowed halls of OHS see the spirit, devotion, and pride that was elevated in the 1964-1965 school year. The school doors opened to 2,300 students, 1,023 of them being seniors. From the opening assembly the seniors took their place as the hierarchy of the school. Each morning as the eight o'clock bell sounded, each student, teacher, administrator, and anyone involved with school, started their moves of learning, teaching, and overseeing, all a part of The Game of Life.

Cheerfully, Responsibly, and Skillfully

With Hi-Day signs and friendly faces, the Panthers began their Game of Life for the year 64-65. After welcoming the sophomores, each day was a new move for each student at OHS. The first pep-rally and the thumper yell became familiar. Chapman Stadium was a regular location on Friday nights. Capacity crowds saw the Panther gridders play and win with an all out effort. Homecoming festivities saw lovely senior Sandy Olsen crowned '64 Homecoming Queen. In between, students were kept busy with tests, the World Series, inspiring assemblies, pep rallies, and anxiously awaiting their first quarter grades.

A rare sight is (51) Casey Roberts out of play during an important football game. Coach Bill Brashears informs him of a change in strategy that must be used.

Lunch pastimes are varied from the common eating to the common bridge playing—but how can five play bridge?

Seniors here aren't any different from seniors abroad. Greger enjoys his senior privileges by sitting on the Senior Bench in the Senior Patio.

Always Moving, Onward and Upward

Always building spirit, our peppy and pretty OHS songleaders are always eager to lead songs. Here they combine with the Savanna songleaders for a routine.

Cramped for locker space, ingenious sophomores make an orderly arrangement of this one!

Achieving

Tom Nelson (60) and Bob Pillon (21) set up a tough defense for any opposition as they go down the field paving the way for a touchdown.

Led by the spirited Senior Class, the OHS students continued to move upward with initiative and eagerness. Basketball brought a new face to the Panther spirit. Although no CIF this year, the cagers had an impressive record and were always fighting till the end. As Christmas vacation approached, there was a Christmas spirit in the air. Panthers were busily taking College Boards, putting on the Christmas Assembly, and planning the Coronation Ball.

A Christmas Rose bloomed for Linda Pierce and Dave Scott as they were chosen Coronation King and Queen.

Christmas vacation breezed by so quickly. With a new year ahead of them, the students came back to their Alma Mater only to see the first semester end.

Their Goals

Our laughter filled the air with mirthful merriment many times this year as demonstrated by seniors Kay McInnis and Carroll Hodge.

Scolding? Hardly! Coach Walt Hamer is just giving his varsity squad a pre-game, pep talk.

Anticipation adorns the faces of the Panthers as "Dandy Dave Scott!" goes in for another point.

When not in use, the outdoor theater reflects a lonely emptiness, but when the wooden benches are filled to their capacity, a new reflection is taken on.

Are these our lovely cheerleaders? For Donkey Basketball anyway! But Patty Panther Skinner seems a little coy about facing the crowd.

All good things must come to an end is sadly reflected from the faces of cheerleaders Lorraine Moore and Steve Cornell at the season's end.

with Honor and Integrity

Dressed in everything imaginable, Panthers crowded the patio area on Dutch-Irish Day.

What can be more peaceful than an empty corridor? One student and a teacher are the only ones to experience this quiet moment.

With meaningful facial expressions, coaches Vince Deveney and Hal Hickok watch their grid-ers in action.

Dutch-Irish Day found Hootenannys a refreshing change from the chaos that ended the tradition.

Throughout the year not a minute was wasted by the Panthers. Each day was lived as it came. Many mistakes were made, but with these came a new understanding within the school. Spring brought on rainy days, but the sun was equally bright. Accreditation Committees, Girl-Date-Boy, elections, college acceptances, and Dutch-Irish filled the lives of each student. Sophomores planned their successful Carnival, while juniors gave the seniors a Prom never to be forgotten, and the seniors planned and prepared to leave, only to go on to higher, grander Games.

Jumping rope was one of the many activities that was enjoyed by the eager students on the day of the Dike-Men and Green-Men.

Constantly reminding us of why we are here—to become first of all a good citizen, and develop a sincere interest in the people of the world around us—regardless of the path of life we choose. May we all learn by her example to give of ourselves to help our fellow man.

To you Mrs. Eggers, for your inspiration, your compassion, your enthusiasm, but particularly for your honest love of people, we the Class of 1965, affectionately share our dedication of the ORANGE AND WHITE 1965, with you.

SENIORS . . .

Kings and Queens, the hierarchy of OHS. The last, the final, the best year. Looking ahead hopefully. Remembering wishfully. Reigning majestically up to commencement—the beginning, as they move out to higher, grander games.

FACULTY AND ACADEMICS...

The background of the page is an abstract composition of torn, layered paper. The pieces are in various shades of gray, from light to dark, and black. The edges are jagged and irregular, creating a textured, collage-like effect. The layers overlap, giving a sense of depth and movement.

The board was set, ready for play. The moves began and progressed rapidly throughout the year. The faculty, the academics—make the board. They are the school, the students, the activities, the athletics. They lead the game.

PRINCIPAL VERRILL A. TOWNSEND

Although most of us seldom see Principal Verrill A. Townsend, he is always on the job at O.H.S.

Mr. Townsend received his B.A. at Arizona State and his M.A. at U.S.C. He has served in the Orange schools since 1935, as both teacher and administrator, and has been principal of Orange High School since 1954.

of teaching. He works under the direction of the Board of Education, the Superintendent's Administrative Council, the District Administration, and cooperates with the P.T.A. and other community organizations, helping to guide the youth of Orange. In addition Mr. Townsend is in charge of supervising our athletic program and attending league meetings as Orange High's representative. He is also in charge of the equipment and supplies of the school, the custodial and maintenance staff, and many other staff and equipment matters.

THE STUDENT LEADERS

STUDENT COUNCIL
ORANGE HIGH SCHOOL

525 North Shaffer

Orange, California

Since last year, when you deemed me worthy of your trust, I have endeavored to represent you well.

With the support of an excellent cabinet, this year has been spent in vitalizing and strengthening a system of great potential for the best interests of the student body. Although many problems have arisen, I feel that we have attempted to solve them to benefit OHS.

I know that what has been done here this year will forever better the standing and quality of Orange as a school, as an ideal, and as people. We of Orange, as a result, will be able to go forward with our goals set high. This has been a good, successful year. I hope my efforts have helped make it so.

In closing I wish to thank my friends, both teachers and students who, in times of both victory and defeat, have given me their sincere and unbending support.

May success be yours,

Joe Colon

Builds the Girls' League Officers,

The crisp Orange and White denim regulation outfits became almost a symbol of the outstanding Girls' League Officers. These ten girls led and guided the feminine student body from September to June.

The busy year was full of assemblies ranging from the fundamentals of football at the expense of a blushing varsity team to reviewing new fashions. The annual "Date-Dad" and "Hi-Mom" Banquets, held at Walker Hall, were as successful as ever in giving the parents of OHS girls a break from the normal. "A Knight To Remember" was this year's Girl-Date-Boy theme and the favorite "Knight" was elected by feminine ballot.

With the leadership demonstrated by the Girls' League Officers, the girls of OHS will go on to play a better Game of Life.

and Distinguishes the AFS

The Orange Chapter of the American Field Service this year did its part in extending relations to other parts of the world through the sponsorship of Greger Jismalm from Sweden, and Kathy Nielsen to Brazil.

An after-game dance and calendar sale helped to raise the money needed to run the organization.

Under the leadership of Miss Marcia Hursey, the AFS tried to give an exchange student an insight into American living. It is their hope that the AFS finalist in Brazil will have the same opportunity.

Balancing the see-saw is Greger's goal as he opens the AFS annual money-raising penny drive. If enough funds are collected, the AFS will be able to bring a foreign exchange student to OHS next year.

AFS finalist Kathy Nielsen will start school in March as she lives and learns as an exchange student in Brazil.

AFS exchange student Greger Jismalm is surrounded by fellow AFS members Janis Barnett, Kathy Hawkins, Dale Reynolds, Cindy Willeford, Linda Clark, Mary Buckley, Laurie Nichols, Yvonne Lemke, Barry Hennings, Tom Peterson, David Cooksey, and Dave Ambrose.

and Greger

When I came to Orange High School as a part of the American Field Service program, I didn't know what I could expect to find here.

Now when my year has almost passed, I know that the year has meant more to me than any other year in my life.

Here I found the friendliness of the American people. I found that the barriers between peoples and nations can easily be bridged. I found that we have so much in common that the differences seem trifling.

In a short while I will return to Sweden and I will bring with me the hope and belief of an ever increasing friendship and understanding between the peoples of the earth.

Vandra tillsammans, tala tillsammans,
alla världens folk.
Da och endast da skall vi fa fred.

(Walk together, talk together,
all ye peoples of the earth.
Then and only then shall ye have peace.)

The Jubilant, Cheering Five,

Deep thought? Cheerleader Lorraine Moore concentrates as she leads cheering Panthers on.

The jubilant, cheering five, alive with action, set Panther spirit prowling at rallies, assemblies, and games. The three boys and two girls, who cheered Panthers to victory, loyally wore the Orange and White, proclaiming to one and all that they are the Panther yell-leaders. Through their efforts, the stands have set the earth reverberating with a mighty cheer. With ability, determination, willingness, these five have well displayed the qualities of the Proud Panther yell-leaders of 1965.

Ken Gleitsman is caught by the camera, pausing during a hectic game time routine.

When even a megaphone is drowned by the cheering crowd, head cheerleader Steve Cornell keeps on yelling!

As yell-leader Andy Shishkoff mounts the bleachers to the crowd, Panther Spirit roars.

Putting everything in gets results when cheerleader Sandy Olsen yells with Panther might.

Alive with Action,

Becky Schipke

Whether it was the first or the last time the alma mater was played, song leader Londa Stewart is proudly humbled as she completes the routine.

Despite game-time excitement, Linda Campbell executes with precise precision, one of her many routines.

Co-ordination, charm, and Panther Pride are essentials for the ever-smiling five with pom-poms. From the first fight song to the closing strains of the alma mater they execute with exactness their various routines. With the assistance of the band and cheerleaders, their quick, nimble-actioned support added color and life to rallies, games, and assemblies. They, too, displayed the qualities of Proud Panthers—these song leaders of 1965.

Caught by surprise is head song leader Candy Cline between routines, touchdowns, and general game confusion.

Smiling Five with Pom-Poms,

As the final strains of the OHS alma mater fade, song leader Kathy Harvey pauses in reverence to her school.

Suspense is unbearable as tension mounts for song leader Becky Schipke as she munches on her rather wilted pom-pom to calm her tattered nerves.

the Animated Mascot,

Cats climb trees and our Patty Panther is no exception as laughingly the pretty mascot paused to pose in her lively game of "cat."

Like a panther, she prowls the field and court. Like a panther, she roars her support. Cat-like, she fills the requirements of the animated mascot. An essential part of Panther spirit, that is Patty Panther.

Varied Panther Peps—they add a dash of action to the already activated games. The twirling flags, the spinning batons, the echoing fight songs are all part of the never-ending cycle of game time confusion.

Whether boosting Panther Spirit with a "borrowed" megaphone, cheering her team's victory, or adding to half-time with her merry treks on her "little red wagon," Donita Cornecle, otherwise known as Patty Panther, is truly the school spirit, alive and cat-like.

Seen at all pep rallies, at assemblies, and basketball games is the talented Panther Pep Band consisting of (row 1) Paul Tretheway, Dave Reid, Van Fryman, Gary Mink, Becky Brown, Janice Kemmerer, Bob Bishop, (row 2) Doug Marquart, Jerry Lawson, Barry Hennings, Joe Long, Ross Branstetter, Bill Henderson, Jack Johnston.

the Varied Panther Peps,

Active at half-times and with the Pantherette drill team, flag twirlers Linda Mee, Pat Ream, Mary Ann Patton, Kay Bishop, and Esther Steinklein are one of the varied Panther Peps who support OHS the year round.

Majorettes Pat Ringlbauer, Theresa Buruss, and Sue MacArthur are active all year with the band, at games, parades, and other events.

That Extra Spirited Talent

Proudly, like Panthers, they appeared on the field, the long hours of concentrated practice evident in their polished performance. Their instruments gleamed sharply under the field lights; the music fit the occasion. In the stands, their Panther Spirit continued to roar. In spite of defeat, they belted out the fight songs and the alma mater with OHS enthusiasm. That enthusiasm did not stop at games, but kept high throughout the year as they participated in civic affairs and parades. Under the direction of Mr. Charles Andresen and led by drum major Bill Henderson, the Panther band has been the musical support of the Proud Panthers.

The Pantherette drill team, directed by Mrs. Carolyn McIver, added color and excitement to half-time activities. Participating in parades and money-raising activities, the Pantherettes, with the co-operation and assistance of the band, proved to be excellent representatives of OHS spirit and enthusiasm.

THE REFLECTOR

VOL VLIV

Orange High School, Orange, California,

REFLECTOR Editor-in-chief Sylvia Onalfo uses the journalism room telephone to make sure page one of any issue is letter perfect.

Being commissioner of publications and news editor, Nancy Newcomb is also kept busy by keeping the bulletin board up to date.

Circulation manager Linda Mee counts REFLECTORS for distribution, while exchange editor Linda Roper studies newspapers received from other schools and class secretary Mary Parker takes notes of the conversations.

Resting under "page four", sports editors Susie Dustin and Dave Romano examine the front page with the satisfaction that "page four" is a job well done.

Business editor Greg Hein and advertising salesmen Tim Hart and Keith Robinson are about to tear off for more REFLECTOR support in the familiar brown Sprite.

With brush in hand but pet missing, staff cartoonist Tom Harmer awaits detailed instructions to accompany the "Draw, Tom!" written above him.

Bill Brattain, editorial editor and his assistant Greg Brown work diligently on a lay-out for the next edition's editorial page.

REFLECTOR'S Features editor Maureen Caglia and assistant Nancy NeSmith review many papers for the ideas for feature stories.

Faculty and academics' staff Cindy Wilford, editor Janice Kemmerer, and Marsha Meyer complete their section behind their advisor's desk.

Orange and White --

Inobvious as possible, staff artist "Selden" sketches for his multi-faced sketch book.

From September 14, 1964, the aim of the '65 *Orange and White* staff was to better the award of their predecessors. Once the theme, The Game of Life, was decided upon, the book was on its way. "First in state in its class" read the certificate; a little note tacked so thoughtfully beside it read, "This is not the top award, let's do better."

Thirty students spent twenty-seven weeks planning and cropping pictures, writing copy, assembling paste-ups, meeting deadlines to get this, the '64-'65 *Orange and White* to some 2400 students.

This book is the written record of a remarkable year. It has tried to preserve for you all events which have made many happy memories; memories which make the Game of Life.

As sponsor of both THE REFLECTOR and the ORANGE AND WHITE, Mr. Milton Craig has his hands full as well as his typewriter.

"Pasting up" the many underclassmen before they can be sent to the engraver is hard work as the underclassmen staff Jay Ofsthun, Evelyn Zajac, and editor Patie McElveen well know.

The activities office was graced by the presence of the smiling clubs and activities staff Kay McInnis, Margie Doolen, editor Pam Steele, Terry Quick, and Carol Keller.

Extra Talent

Well aware of the mountainous task ahead of her, typing, categorizing, alphabetizing all copy for the '65 ORANGE AND WHITE, copy editor Barbara Flint just grins and bears it.

Editor-in-chief Janis Barnett smiles even with a load of yearbook work and missed deadlines.

The "active" sports editors Kathy Brown and Jerry Burchfield, responsible for girls' and boys' sports, are "hard at work."

Serving both the ORANGE AND WHITE and REFLECTOR are staff photographers Jay Ofsthun, groaning under the weight of both press cameras, and Robby Strain, editor, and Ben Evers, both very happy to give Jay the cameras.

"Money, money everywhere and none of it is mine," wails Jerry Watt, business manager, as he counts the many monies received from early annual sales.

Ads manager Sally Ream, with the earliest deadline, typed and pasted up all the advertising for partial support of the ORANGE AND WHITE.

All Are the Panther Student Leaders

Looking exactly the opposite of student leaders, Melanie Petersen and editor Molly Engle take a well deserved rest after having completed the student leader section.

Senior staff Janie Oaks, editors Sharon Hansen and Nancy Nesmith, and Marie Fiorito take time out from their task of putting together a pictured record of the largest senior class in the history of OHS.

Dear Panthers:

The 1965 *Orange and White* is a record of the many memorable and significant moves of this short segment of the GAME OF LIFE.

For the retiring royalty, to whom this book is dedicated, these recorded events constitute an end and a beginning—the conclusion of twelve years of hard work, challenge, and accomplishment, the beginning of many new moves as the GAME continues. For those who remain, what is recorded here will form the foundation for future activities and serve as a challenge to new Panthers and new royalty.

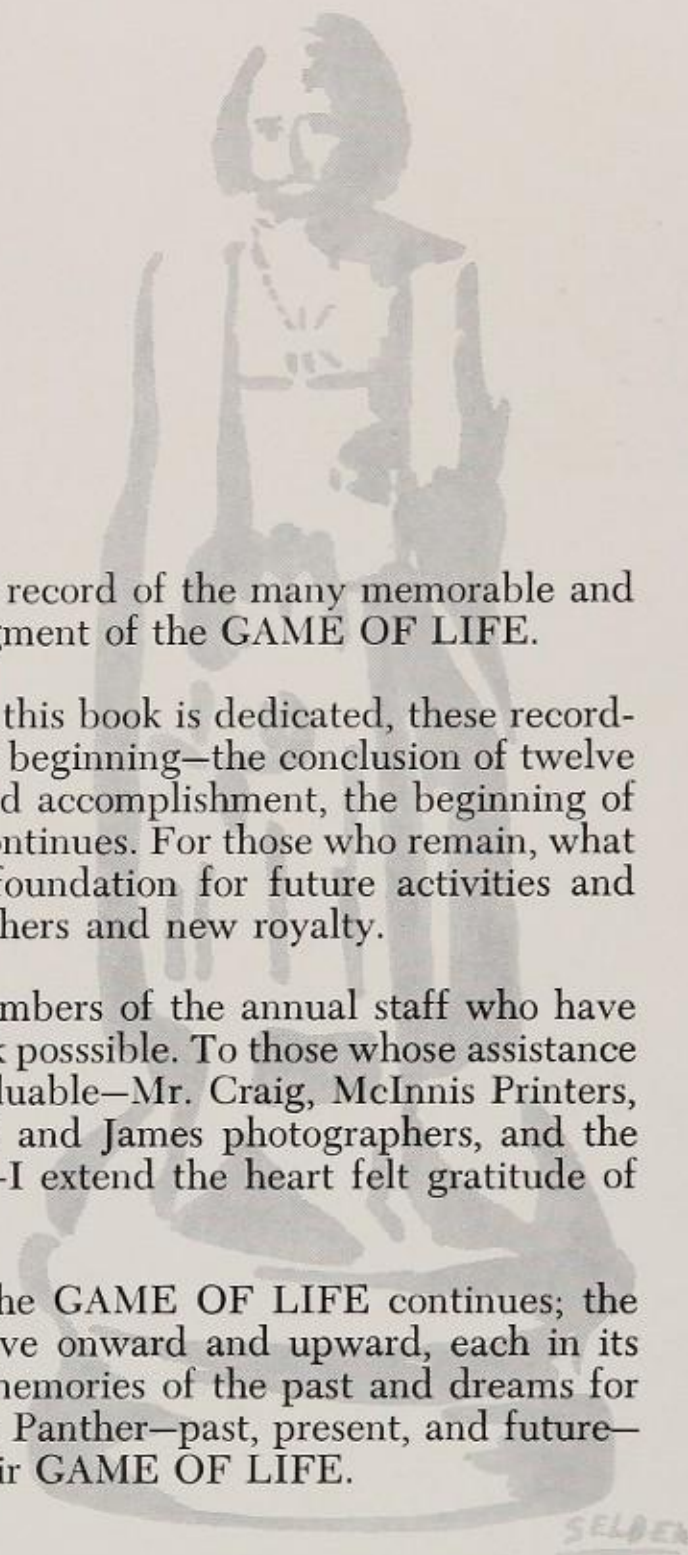

I would like to recognize the members of the annual staff who have spent long hours to make this book possible. To those whose assistance and co-operation have been invaluable—Mr. Craig, McInnis Printers, Santa Ana Engravers, the Albert and James photographers, and the OHS faculty and administration—I extend the heart felt gratitude of the entire staff.

This year is about to end, but the GAME OF LIFE continues; the chess pieces will continue to move onward and upward, each in its own direction, each with many memories of the past and dreams for the future. To each Orange High Panther—past, present, and future—we wish continued success in their GAME OF LIFE.

Sincerely,

Janis Barnett

"GOAL LINE GLORY" was the theme for the 1964 Homecoming festivities. Although the Panthers lost their game by one point to Bolsa Grande, spirit soared with the suspense of the evening. From a court of five pretty princesses, Sandy Olsen was crowned queen. The court, with their Key Club escorts, was driven in Corvettes to Hod Chambers Gymnasium to officially start the traditional Homecoming dance.

"A Christmas Rose"

Dave Scott and Linda Pierce reign with the dignity fitting a royal couple.

Coronation Ball 1964 left all those attending with memories of a wonderful evening. "Christmas Rose" was the appropriate theme given to the dance held at Orange Coast College. The crowning of King Dave Scott and Queen Linda Pierce added the final touch to an evening of overwhelming success.

King Dave Scott and Queen Linda Pierce are accompanied by their royal court consisting of Dick Adams, Jan Danker, Doug Ehlen, Judy Howell, Andy Shishkoff, Linda Blount.

Dutch-Irish day dawned bright and clear as more than 2000 exuberant Panthers took sides in the liveliest Dutch-Irish day in OHS history. The Dutch decked themselves in all sorts of crazy, red outfits complete with wooden shoes, and the Irish, not to be out done, donned green hats, nightshirts, and green vests.

The traditional brawl erupted prematurely at break with many flying eggs that just couldn't wait till Easter, and in spite of the lack of an organized battle, the 27th edition of the OHS fun day became monumentally known as the wildest day ever.

The lunch periods were broken up with hootenannys, jump ropes, squirt guns, the Farmer in the Dell, and subtler forms of fun, while Panthers saved themselves for the game.

The rest of the afternoon classes flew because it was Dutch-Irish, as well as Friday afternoon.

The day was climaxed by the traditional Dutch-Irish Basketball Game. The Dutch team captured their winning position as they defeated the Irish 88 to 69.

Sir Al Crowned 1965's

Sir Allan Lemone

Pretty Homecoming Queen Sandy Olsen crowned Allan Lemone as our official Knight to Remember at the annual Girls' League Girl-Date-Boy Dance. Al was chosen by popular vote from five candidates, including Greger Jismalm, Pirouz Houshmand, Bob Pillon, and Bill Brattain. The dance, with the Jim Keene Quartet providing the music, was a great success.

Santas, Speakers, Skits, and Singers

"I will not laugh, I will not laugh, I . . ."

Seniors show their power at one of the early assemblies.

Sandy Hilton and Janet Wettlin try out before Dutch-Irish audience.

Pat Hull sings for O.H.S. students.

Mr. Quaker spoke to O.H.S. students on the true American spirit.

Laura Stanford and Jo Ann Brue show the girls fashions of today and the 20's.

"And have you been good this year?"

Kathy Brown and Janis Barnett help Santa, Phil Skinner.

Phil Skinner plays a real hep Santa.

"Sure beats reindeer."

Laughing and yelling to their friends, the returning Panthers and newcomers to O.H.S. settled down at the first assembly to valiantly face another school year with the help of many varied assemblies. The year was started out with a visit from an odd gentleman dressed as a Quaker. Mr. Quaker turned out to be a big favorite among the students. He had a special way to say what he felt about the American tradition and spirit. A superior assembly, presented right before Christmas was complete with Santa Claus and helpers.

This year the Girl's League presented assemblies for the girls while the boys remained in class. The female half of the student body sighed at fashion shows, laughed at impossible skits, and learned football from Coach Deveney. Another truly delightful assembly was highlighted by the speech of an ex-football coach who told students to stand up for their beliefs and not be influenced by the "scrawny, runty, little kids."

"He's just a scrawny, runty, little kid."

Junior girls do the "shrimp" at a Girl's League Assembly.

Peppy Panthers Participate

Spirited Pep Rallies.

Just once more, Cornell."

"If you don't let me do another cheer,
I'll cry!"

Jump by jump and yell by yell, the cheerleaders and songleaders led the Panthers to checkmate many other teams in sports this year. The pep rallies, including stunts thought up by both the active Pep Club members and cheerleaders, showed great originality. The Pep Band helped instill the spirit which Panthers carried to the games to sweep our boys on to victory.

The cheerleaders build spirit up for another Panther victory.

Mom's Holiday Hawaiian Style

Patty Fitzgerald, Kathy Wilmer, Jackie Riggs and Mrs. Fitzgerald cut up in an old time skit.

This year, as every year, the Girls' League sponsored HI MOM and DATE DAD banquets. At DATE DAD, skits and the Plaza City Singers made the night complete.

Moms and daughters enjoyed skits and the music of California Lutheran College's "Kingsmen."

Walker Hall was decorated in manly attire for "It's A Man's World" and Hawaiian motif for "Hawaiian Holiday." Both events were sold out beforehand and were very successful.

Mothers and daughters enjoy the entertainment.

Helen Schade is serenaded by the Kingsmen Quartet.

Judy Howell and Chris Portugal sing "Aloha Moms."

Curtain Rises on

Greg Hein and Jerry Ellis play two dangerous desperados.

Susan Oliver pouts in a scene from "Arsenic and Old Lace."

Andy Shishkoff groans at the thought of the item in the window seat.

Jerry Watt, center back, looks knowingly at the rest of the cast in the "Fisherman."

The cast of the Mikado sings the grand finale.

Kathy Wilmer, Colleen Butterworth, and Susan Perry play three little maids from school.

Dramatic Highlights

Marriane Ringlbauer, Joe Hanna, and Susan Oliver scheme together in "Arsenic and Old Lace."

Kathy Brown and Andy Shishkoff take their parts seriously.

Rehearsals, make-up, rehearsals, costumes, rehearsals and more rehearsals; but it was worth it for the O.H.S. students. This year the music department presented two big sell-out productions, directed by Mr. Slick: "The Mikado," tale of the Emperor of Japan who poses as a minstrel and goes about seeking his true love, and "My Fair Lady," a modern version of "Pygmalion." The drama department also put on two productions, "The Fisherman," a one-act play which gave us a short glimpse of heaven, and "Arsenic and Old Lace," the delightfully funny story of two "sweet" little old ladies who have a habit of serving arsenic in their elderberry wine.

All of these plays were a credit to Orange High School. They were remarkably well presented and were lots of fun for the students participating as well as for the viewers. The sets, the costumes, and the make-up were all done by OHS students, proving that responsibility is not just make-believe, but a real step in the Game of Life.

Mr. Woods of the Drama Department works hard to get the plays ready for presentation.

Serve the School

The object of both the Key Club for boys and the S Club for girls is to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, to promote a feeling of personal achievement in the success of a group, and to inspire an interest in all social activities. The Key Club, sponsored by Mr. Walter Osenbaugh, strives towards the constitutional objectives of Kiwanis International while the S Club, under the direction of Mrs. Racine, Mrs. Brubaker, and Mrs. Jones, ascribe to the same ideals as the Soroptimists Club, with which they are affiliated.

The membership of both clubs is restricted to only those qualified both by grades and a desire to help.

Interact is an organization developed for the purpose of extending services where they are needed. It is sponsored by our local Rotary Club. To raise money to conduct their campaigns, they sold peanuts at the football games and held car washes. Under the dynamic leadership of Mr. Terrell, Interact spent its first year on the OHS campus. Due to the organizing and planning by this group of boys, Interact is sure to continue as a growing club in the years to come.

The Banking and Finance Club visits different financial firms each time it meets. It is sponsored by the Union Bank and is affiliated with the Boy Scouts as an explorer post. A field trip to the main branch of the Union Bank in Los Angeles highlights each year. A finance day allows the members to work in banks, savings and loans, and brokerage firms. Interest in the financial world is the only requirement for membership. A father-son banquet at the Charter House was held as a wind-up meeting.

Versatile quarterback Tom Gunther is stopped by a fleet defender during the Brea game. Orange, which held the lead throughout the game, came out with a 13-13 tie with the Wildcats. Once again penalties and a few basic errors prevented victory.

As the Season Rolls on...

The Panthers, led by head coach Vince Deveney, finishing his third season at Orange, played well their role in the GAME OF LIFE. The hope of a championship season soon faded, but the final record does not detract from the great individual efforts of both the coaches and the team.

With ten lettermen returning next year, Orange High Panthers can look forward to an exciting season.

This year Orange showed great promise and finished third in Freeway League competition. Dave Scott, Orange's "standout" guard, won well deserved individual honors for his efforts on the team; but basketball is a team effort, not an individual one, and it is the team that either wins or loses, and this year Orange had a team to be proud of.

Bring Pride and

This year, as always, individual effort seemed to characterize Orange's bid for the championship; but individual effort is not everything; it takes 15 individuals and a coach to make a team. It is this combination of talent, called a team, that wins ball games.

Orange possessed such talent: she had a team, she won games; but she had much more than that—she had spirit! The Panther spirit was evident in the boys on the court, in the crowds hovering in the stands, and in the students' eyes. Without this spirit a team is nothing; with it, a team can conquer anything.

Sprinting down the court, Tom Hobbs moves in for a layup.

Wrestling is a sport which receives little recognition, but deserves more attention. It is the one sport at Orange High in which both large and small boys can participate in an individual contest against boys their own size.

Individual effort was the feature which made wrestling stand out this season. Hosting the Freeway League Tournament, four Orangemen finished second to gain berths in the C.I.F. tourney. Having had an outstanding season last year, Orange's future prospects appear good.

Relying on the traditional Orange track and field tactic of a strong finish, Coach Lanny Carter's Panthers have climbed in Freeway League competition. In the past, Orange has relied heavily on this tactic with commendable results. During the past seven years of Freeway League competition, Orange has had three second place finishes and one championship.

Due to the variety of track and field events, a major segment of Orangemen are able to display their individual skills. Veteran track star Bob Slover set a new Orange High record in the polevault this year, clearing 13 feet 9 inches. Another veteran, Greg Fike, has attempted to break the present Orange High shotput record of 54 feet 4½ inches. All of these efforts have brought pride and spirit to Orange.

Through the untiring efforts of these five outstanding instructors the girls had a chance to improve both their physical ability at various sports and received a better understanding of the method of play involved.

G.A.A. President, Jan Danker added her spirit and sportsmanship to help make this year's G.A.A. program one of the best. Jan was also awarded the honor of high point girl of the year.

A tremendous job was well done by the G.A.A. Cabinet, Top to bottom; C. Hess, S. Dustin, J. Danker, J. Riggs, K. Wilmer, B. Hall, M. Sorenson, L. McFerran, J. Dawson, B. Campbell, D. Ellis, S. Young.

Enthusiastic and energetic sports minded girls have marked Girl's Athletic Association as the largest club on campus. Sports offered are basketball, hockey, volleyball, baseball, and tennis. This year the girls were encouraged in other sports, track, and touch football. Each sport provides its own individual effort, as well as team participation in many playdays and inter-class tournaments.

With the leadership and help of the P.E. teachers, the G.A.A. has had various successful activities throughout the year. Selling pop corn at the football games, planning the football banquet, fashion show, awards assembly, sponsoring a girl-date-boy, and ending the year with an off-campus at Knott's Berry Farm kept all of the girls busy.

Mr. Deveney hands Elias YiDonoy an award at the annual Football Banquet, held at Walker Hall.

The Senior G.A.A. Girls have had experienced training in all phases of sports, due to the outstanding instruction of Miss Nancy Black, Miss Pat Taylor, and Mrs. Maxine Clark. These able teachers have instilled in their girls a love of athletics and a keen sense of sportsmanship. The energetic seniors led in number of wins not only for playdays, but inter-class games as well. Many of them received 700 points in this exciting year, making them eligible for a Block "O." A few even received 200 additional points for various sports, and this entitled them to a star.

The seniors have had three wonderful, and memorable G.A.A. years, and have indeed grown in experience during this time.

With eager enthusiasm, anticipating the activities of this year and next, the proud Pawns of the Junior Class prepare to take their places as senior Panthers.

They have done their jobs well this year, supporting Panther activities and working hard to bring academic honors to their class and school.

For these Pawns, the GAME OF LIFE has many exciting moves ahead at OHS. With their spirit, the Panther will come alive in 1966; to them the underclassmen will look for leadership.

Proudly and confidently, the senior Kings and Queens relinquish their crowns and positions to a new reigning class.

IN MEMORIAM

“To Live in hearts we leave behind,

Mrs. Dorothy Nesbitt 1896-1964

Cyril Van Keirsbelk 1947-1965

Sandra Sanderson 1946-1964

Linda Stout 1947-1964

Is not to die.”

The background of the entire page is an abstract composition of torn, layered paper. The colors range from light gray to dark charcoal and black. The edges of the paper pieces are irregular and jagged, creating a textured, collage-like effect. The word "ADVERTISING" is printed in a white serif font within a white rectangular box in the upper left quadrant.

ADVERTISING

The background of the page is an abstract collage. It features various shades of gray and black, with textures that look like torn paper or marbled paper. In the bottom left corner, there are several large, solid black geometric shapes, including squares and triangles, which appear to be layered over the other textures. The overall effect is a complex, layered visual field.

The ads have filled the empty board, ready for play of this Game. They are supported, encouraged, by the supporters of this book. This support has gone further. It has brought about an understanding between the student and the businessmen; all playing a related Game of Life.

How do you
“MEASURE”
achievement?

Remember the marks on the back of a door to record your physical growth? The roller skates or bicycle which signified achievement of further maturity?

And A, B, C's or percentages as grades to show achievement academically? Now what?

Some of you will continue to work for scholastic grades, some for dollars as a measure of financial success, some for social status. And we would hope many may find a measure of achievement in service to community or their fellow man in addition to other accomplishments.

Your printing, too, is a means of achievement, and we constantly strive to reflect this by production of the finest in printing through use of skilled craftsmen and modern equipment. Your satisfaction and continued patronage is our measure of achievement.

Since 1925 (our 40th year) and . .

Still GROWING with ORANGE County and SOUTHERN CALIFORNIA

The **BIG** reasons . . .

- Professional Customer Service
- Top Quality Products
- Fast Pick up and Delivery

Way back in 1925, Milt Johnson installed a few odds and ends upstairs in an old building and started making a few plates for Orange County printers. Forty years later we have added nearly \$100,000 in equipment and hired a few more people (14 right now) and serve a four county area with customers ranging from the smallest one man plant to folks like Kaiser Steel and the largest advertising agencies. Milt has long since gone fishing, but present management is still carrying on with the finest craftsmanship and service. If we weren't local folks we just might be called experts. Call us for any of your needs in printing plate manufacturing. Letterpress or Offset. Skilled representatives are at your service!

Copper, zinc and magnesium engravings — Offset negatives and plates. Newspaper mats, cold or baked. Art services. Color services.
